Please book as early as you are able as this hotel does not specifically hold rooms but assure me there will be plenty available if booked in reasonable time. There is no risk with this as cancellations can be made up to 48 hours prior to the booked dates. Also don't forget if you register before the June 30th you can take advantage of the Early Bird Registration Rate.

Once you complete this registration form please scan and Email back to me on garywing1007@gmail.com, I will invoice you shortly after receipt of your registration. If you prefer simply give me a call and we can arrange over the phone.

Look forward to seeing many members there as hopefully we are coming out of this difficult period.

NOTE: There is no GST on International Registrations for the Conference and Trade Show.
