Accommodation Bookings are to be made directly with the Hotel, please refer to the separate "PIAA Conference 2024 Guest Booking Instruction" form.

Please book as early as you are able as the Hotel has held a fixed number of rooms at these special rates and the amount of rooms held will start to reduce from 90 days prior to the Conference and subject to availability until 14th July 2024. The special rates are based on a pre-paid basis, the lower rate is Non-Refundable, a slightly higher rate is Refundable up to 14 days prior. The rates are for their standard "Urban Room" if an alternative style of room or apartment is preferred you will need to refer to their normal booking procedures on the Hotel Website. Just Google "Bailey Crystalbrook Cairns". Again, please book as early as possible to avoid disappointment as Cairns is a very popular destination at this time of year.

Once you complete this registration form please scan and Email back to me on garywing1007@gmail.com I will invoice you shortly after receipt of your registration. If you prefer simply give me a call and we can arrange over the phone.

Look forward to seeing many members in Beautiful, Tropical Far North Queensland.

NOTE: There is no GST on International Registrations for the Conference.
